RYARSH AWARD FOR EXCELLENCE

Jude

Koala Class

We are really delighted to give this award to Jude, who has had a super start to her first two terms in Koala Class. We have all seen her grow not only academically but in so many other ways. We could not be more proud of Jude and are full of admiration for the way she has conducted herself since the start of year 4.

The first thing you notice when you look at Jude's learning is that she takes great pride in the presentation of her work. Jude takes a thoughtful and caring approach to her learning, which is also the same approach she takes to her peers - thoughtful and caring. She is kind and compassionate towards others and is a very loyal friend. Around the school, Jude is an extremely considerate pupil and is willing to help younger children without any questions. On many occasions, she thinks about her friends and others rather than herself due to her selfless nature. It is wonderful to see this quality in someone so young and we want her to know that this never goes unnoticed.

Jude has a great growth mindset. If at first she does not succeed, you can be sure Jude will keep trying until she does. She constantly uses the feedback given to her by adults and peers to improve her work and is beginning to set her own standards higher and higher. This was evident during our recent Christmas writing where Jude managed to change the mood of her writing to make it feel more wintery due to changing her language choice.

She works hard in all areas of her learning and has some great ideas, due to being so creative and artistic. She regularly demonstrates every single one of our schools values. This makes Jude a really well respected member of the class as well as the whole school community. Her considerate personality has a lovely calming effect on everyone around her. We admire Jude for a number of reasons but what really stands out for us is her bravery. You have truly astonished us Jude. You have reminded many of us, both children and adults, how important it is to be yourself.

Well done and congratulations Jude for achieving this award. We all look forward to seeing what you can achieve throughout the rest of the year. Carry on being you. You are amazing.

Signed Mrs Crozier Mr Childs
