

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Megan

Leopard Class

It has been an absolute pleasure to get to know and to teach Megan; there are many reasons that she deserves this fantastic award ...

Every day Megan greets me, and all members of Leopard Class with a kind word and a smile – eager to share her news and to ask others how they are (in fact Megan could have written the Ryarsh School Advent of Kindness!) She will always take the time to ask how my day is going and enjoys a lovely chat about all things educational and about her news, hobbies and interests.

Megan has fantastic manners; she will always treat others with respect and is a great role model to others. I have also spotted Megan being supportive and kind to younger members of the school community.

In lesson time Megan works hard in all subjects. During maths lessons she will always think, think again and then think some more and then share her ideas with others. In English she puts that extra piece of effort in to improve her work and take the next step forward. In PE lessons she works hard to improve techniques and work as a team. Her positive and conscientious attitude spills over to all lessons. This includes collaborative working tasks, Megan's positive attitude to learning and the respect she shows others makes her a valued member of all groups. Throughout her learning she uses her Growth Mindset, she can have a great influence over others.

We are all so happy that Megan has become a part of Leopard Class, she settled in immediately and had a positive influence on the class – both her hard work and her kind and caring nature means that she brings a little sunshine into the pod every day!

Signed - Class teacher
