

4 January 2019

Headteacher: Mrs R Austin

Dear Parents

We would like to invite you into school on **Thursday 17 January** for our open morning and parent workshop. As usual, you will be able to share in your child's experience of being a learner by taking part in a class lesson.

There is one change to share with you this time, which is that we are not able to admit younger siblings (over the age of 1) to open morning. This is because we often find that the presence of younger children in a classroom environment disrupts our children's learning and teachers' teaching, making the experience less purposeful for all children and visitors. We are sorry for the inconvenience that this may cause. We are able to welcome parents with contented babies (under the age of 1), as long as you are willing to leave the classroom if your baby becomes unsettled.

In addition to the class sessions, we will be offering a parent workshop on E-safety. This will include up to date information from www.thinkuknow.co.uk and content from this year's Safer Internet Day, which children will cover in school in February. Due to the ongoing building works and lack of space within school, we can only offer one parent workshop this time, which will take place at 10.10 in the school hall.

Spaces in the class sessions will be limited to 8 adults, per class, per session. Please indicate on the slip below which session you would like to attend, indicating a first and second preference, so that we can accommodate as many parents as possible. If you have more than one child in school, please fill in a separate slip for each child. We hope that you can join us.

Yours sincerely

Ruth Austin
Headteacher

✂

Please return to the school office by Friday 11 January

Name of Child: _____ Year _____ Name of Parent: _____

Please indicate which class sessions and workshops you would like to attend, with a 1st and 2nd preference for class sessions.
