RYARSH AWARD FOR EXCELLENCE

Keira

Leopard Class

This term's Excellence Award goes to a truly worthy winner! When discussing potential recipients of the award there were many fantastic reasons why Keira was the final choice!

Keira has worked hard in all her learning and is really growing in confidence, this has allowed her to enjoy the results and successes of lots of deeper thinking moments. This recently happened in a maths lesson where Keira came up with a great way to use a fraction wall to explore mixed numbers and improper fractions – she taught the whole class (including the adults!) a new way of thinking about the two things. In her English work Keira has enjoyed exploring some tricky poetry and using this to create some super story and newspaper writing.

The use of her growth mindset strategies can be seen through all her learning; Keira perseveres when needed, will try out new ideas and enjoys sharing her ideas with others. When working in groups Keira always has great ideas to share and will listen to, and support, others. She will often continue with her learning at home and come in with extra thoughts, ideas or research.

Keira is a fantastic member of Leopard Class and Ryarsh School; she consistently shows the school's values and spreads kindness, calmness, enthusiasm, impeccable manners and smiles wherever she goes. Every day she greets me with a smile, eager to share news, creative projects, thoughts and a cheery hello! Keira can often be seen looking after younger members of the school community – especially during sewing club!

It has been an absolute pleasure to get to know and to teach Keira for the first half of this academic year. I look forward to seeing her continue to grow and develop both academically and as a super lovely pupil, class mate and friend.

Well done Keira!
