

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Teagan

## Koala Class

Choosing an excellence award winner was very difficult for us this term. With so many children producing excellent examples of learning, through their hard work and enthusiasm, we had to think long and hard when deciding which pupil should win this award. Having said this, there has been one person who has really excelled over the past few weeks and is thoroughly deserving of this excellence award. We are really delighted to give this award to Teagan, who is really beginning to show us just what a superstar she is.

It is obvious to us in Koala Class that Teagan is full of some truly fantastic ideas for her learning. However, at the start of the year, we aren't sure if it was as obvious to Teagan. Since the start of the new year, Teagan's confidence and self-belief appears to have grown incredibly. Her approach to her work is more enthusiastic and her increased amount of effort hasn't gone unnoticed. It has been clear that Teagan is now placing higher expectations on herself and is beginning to show us the type of learning we know that she is capable of.

Teagan's learning behaviours have also improved significantly since the start of the year. Her ability to listen carefully and apply different skills is really helping Teagan to improve her learning. When we sit and work with Teagan, we are always impressed with how she has managed to do exactly what has been asked of her but in her own unique way. She is a very independent young person and knows exactly how to go about being successful in her learning.

Over the past few weeks, we have seen some great examples of maths such as her multiplication and division work, as well as some fantastic examples of English, especially in her writing where she has produced a really great story by combining a variety of writing skills.

Teagan is working hard to improve her growth mindset. She is demonstrating more persistence and resilience. On top of this, she is increasingly able to listen to feedback and advice to improve her learning. Teagan applies our school values really well with the key traits being that of showing great independence and taking responsibility for her own learning.
