

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Ava

Seahorse Class

We are absolutely delighted to award this term's Excellence Award to Ava. With her positive attitude, helpful nature and kindness shown to others, she is a truly deserving winner.

Ava started Seahorse class working hard and has continued to do so consistently throughout the year. She always listens carefully in lessons, putting her hand up to answer questions and always talks and listens sensibly with her learning partner. Ava always tries her best with every piece of work that she does and because of this she is making really good progress. Her work is always neat and carefully presented, and she takes on advice and tries to put it into her next piece of work to improve it further.

Ava is also an incredibly kind and thoughtful Seahorse and will be one of the first to help another child (or adult) in need. She follows our school values closely and we can always rely upon her to behave in an appropriate manner. We know that if someone was feeling sad, Ava would be one of the first to check they are ok and cheer them up. As well as behaving well, Ava is also great fun to have around. She is always smiley and keen to have a discussion in guided reading or talk about a topic we are learning about.

Ava consistently tries hard in all aspects of school life and so it makes her an absolute joy to teach. She is a very important member of both Seahorse Class and Ryarsh Primary School. We know that Ava will have a big smile on her face as she receives this award and we want her to know how incredibly proud we all are of her and all of her achievements. Well done Ava :-)

Signed - Mrs Whittall and Mrs Harris
