

RYARSH AWARD FOR EXCELLENCE

David

Penguin Class

David was our unanimous choice for this term's Ryarsh Excellence Award. David is an enthusiastic, hardworking and helpful member of the class. He is thoughtful, kind, and always sensitive to others' feelings. He really is a pleasure to have in Penguin Class.

David is willing to try all things and is now always ready to answer questions and take part in discussions.

In Maths, David loves a challenge! He perseveres with tricky mathematical concepts and he is not fazed by challenges. As a result he makes excellent progress in lessons and he is always keen to push himself further. If he is unsure about something he is willing to ask for help or clarification, before continuing with his work.

David has recently blown us away with his fabulous 'can-do' attitude. His written work has been incredible and we are so proud of him. He is working independently and has really tried hard to improve his handwriting, which is now so neat. He is reading regularly at home and he even went to read to Mrs Hale earlier this week who was equally wowed! His understanding of what he is reading has really developed and we have such lovely discussions about his books.

It doesn't stop there! He tries hard in every subject and takes a great deal of pride in all areas of his learning. What makes us even more proud is to see just how proud he is of himself! To look at his face when he listens to feedback or his comments in his books make my day even brighter than it already is.

Keep up the good work David and even more fabulous learning will take place! You are a super star!!!
