

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Jack

Leopard Class

This term's Excellence Award goes to a member of Leopard Class who has really shone this term; he has been a fantastic class mate, ambassador for the school and has worked hard in his learning! Jack thoroughly deserves this award!

Jack has worked hard across the curriculum; in each lesson he concentrates and does his very best – he has a real 'I can' attitude and will have a good go at everything! This was particularly apparent during our Bushcraft trip; Jack was an absolute pleasure to take away. From the moment we got there he got stuck in to the fire building task (and was really rather good at it!), listened carefully to all instructions and was keen to learn new things and try out new skills. Throughout our time there he put 100% into all of the tasks, was helpful and kind, good company and was always a fantastic friend to others. In a nutshell- he was a fantastic ambassador for Ryarsh School. Recently he has had some brilliant moments in his maths learning with 'what if?' and 'how about' moments.

Jack has also shown these brilliant qualities in school. He will always work hard and takes on board any help and advice to develop and improve his work. Jack has a conscientious attitude and works well on his own, in a pair and in any small groups. He listens and responds to the thoughts and ideas of others which makes him a great member of any group or team he is part of.

In class and around school, Jack always demonstrates all of the Ryarsh School Values; he is kind, polite and a great role model for others. I am sure that he will go on to be a valued member of Year 6 when he will make the most of all of the extra responsibilities.

Well done Jack! You thoroughly deserve to be this term's Excellence Award winner for Leopard Class. Keep up with the hard work and positive attitude!

Signed - Class teacher
