RYARSH AWARD FOR EXCELLENCE

Molly

Seahorse Class

Well, I hope we have room on this page for all of the wonderful things that we have to say about Molly!

Molly is a keen and enthusiastic member of our class. She always listens carefully and joins in with discussions, putting her ideas across clearly and thoughtfully. She always tries hard with her work, completing all tasks to a high standard. She will always ask if she is unsure of something—making sure she fully understands anything new being taught.

Molly is a kind and thoughtful friend. You can often hear her asking 'Can I help you with that?' or helping a friend find something that is lost. She never minds who she is paired up with to discuss learning, as she gets on well with everyone in the class. She is an excellent role model and always sticks to our school values—her behaviour is exemplary.

Molly is always keen to help, whether that is a fellow pupil or helping an adult in our school. She likes reading and sharing her work with older children when the opportunity arises.

It is an absolute pleasure to teach Molly and to have her as a very important member of Seahorse Class. We are really proud of her positive attitude to school life and how she gives 110% to everything she does. Well done Molly :-)
