

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Jude R

Koala Class

Choosing the recipient of the Excellence Award at the end of the year is always a hard task for us, as there are always so many deserving winners, that to pick one is a challenge. However, we all agree that Jude has been on a brilliant journey since September and all the adults in the class have enjoyed watching him grow and mature into the learner he is becoming.

Jude is beginning to recognise his own capabilities and it is great to see him putting more effort into his work, not only because we are asking him too but because he wants to for himself. This improved work ethic has really impressed us recently. Through his determined approach, he has been able to produce some fantastic pieces of work which demonstrate an excellent level of understanding. Jude is beginning to realise what a capable young man he is and it has been a pleasure to watch his confidence grow.

As a result of his increasing perseverance and risk-taking, Jude has been able to take himself out of his comfort zone and create work of a very high standard, especially in maths where he is getting better at reasoning and problem solving through using and applying his excellent maths knowledge.

He has undoubtedly improved in his growth mindset this year. When he makes mistakes, he tries his hardest to turn it around, determined to better himself. Jude never backs down from a challenge! He is often brave and fearless and is able to work amazingly in a team. An example of this recently was when Jude was utterly heroic in a football cup final, helping his team to win in a very dramatic fashion!

Jude is a really kind and compassionate young man. He cares a great deal about his peers and communicates sensitively and thoughtfully, especially when his friends are upset and in the need of a friendly face and kind soul. When this happens, you can be sure Jude will be there, using his own unique sense of humour to make someone else smile.

We are sure that Jude will go on to achieve some fantastic things during his time at Ryarsh Primary School. We are really proud of you Jude. I'm sure the rest of Koala class are really proud to have you in our class.

Signed - Mrs Crozier and Mr Childs
