

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Jessica

Leopard Class

When discussing this term's Excellence Award winner one name jumped out to both Mrs Taplin and myself ...

It has been an absolute pleasure to get to know and to teach Jessica this term; there are many reasons that she deserves this fantastic award ...

In lesson time Jessica works exceptionally hard in all subjects; she puts 100% in to all of her learning which means that she enjoys many successes. During maths lessons she will always think, think again and then think some more and then share her ideas with others; Jessica has loved some of the tricky challenges that have been sent her way! In English she puts that extra piece of effort in to improve her work and take the next step forward; her written piece from the viewpoint of Pandora was amazing! We had to tell everyone who entered the classroom about it!

In PE lessons Jessica works hard to improve techniques and works well in a team. Her positive and conscientious attitude spills over to all lessons. This includes collaborative working tasks, Jessica's positive attitude to learning and the respect she shows others makes her a valued member of all groups. Throughout her learning she uses her Growth Mindset, she can have a great influence over others.

Both her hard work and her kind and caring nature means that she brings a little sunshine into the pod every day!

I look forward to seeing how Jessica continues to grow and develop. Well done Jessica – you totally deserve this fantastic Excellence Award!

Signed - Mrs Hale
