

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Matilda

Koala Class

Choosing someone for the excellence award for this term was a very difficult decision as so many children have made such a fantastic start to their journey in year four. However, it is with great pleasure that I award this excellence award to Matilda who has really embraced the start of the new year and her time in Koala Class.

Matilda has truly made a wonderful start to year 4. This has been down to a number of reasons but what really stands out is her work ethic and self-motivation. She has displayed excellent listening skills which has helped her produce some wonderful work, in particular in her maths and English learning. Her story "Escape from Pompeii" was lovely to read as she experimented with different writing tools. She listens carefully to advice on how to make her work better and tries to change it next time. What more could I ask for?

Matilda has built very respectful relationships with all of her peers and adults in the class and because of this, she is popular amongst her friends and other children enjoy working with her.

Not a day passes without Matilda greeting us with a big smile on her face, ready and focussed for the day ahead. We are sure that she will continue to be excellent this year. Thank you for being such a pleasure to teach and such a helpful person in the classroom!

Signed - Mrs Crozier
