RYARSH AWARD FOR EXCELLENCE

Aurelia

Leopard Class

It has been a real pleasure to get to know Aurelia over the last two terms; she is a really special individual who brings a little magic and kindness into the pod every day.

Although a quieter member of Leopard Class, Aurelia brings a little sunshine to each and every day; she has a calm aura around her that can ripple out to capture others! Each day I can see how Aurelia is growing in confidence during her learning in the classroom; she has such a unique way of looking at the world, this makes her a valued member of any team that she is a part of.

Aurelia has worked really hard in all areas of the curriculum; her written work has developed some flair and excellence. Again, a dash of extra confidence has enabled this to happen. Her instruction writing about the Hoverbike was out of this world! During maths learning Aurelia will persevere in order to develop an understanding of new and revised work; never stopping with 'that'll do' but persevering to 'I can do it!' and 'I'm proud of it'. This has also shone through with her home-learning which is always amazing!

During lessons and around the school, Aurelia displays all of the school values – this means that she is a great role model to others; she is polite, kind, a good friend to others and caring to all members of the school community.

Keep up the hard work and positive attitude Aurelia – you are a pleasure to have as part of Leopard Class and Ryarsh School. I look forward to seeing how you continue to grow and blossom throughout the year.
