

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Darcy

## Dolphin Class

The time has come for the second excellence award for our wonderful Dolphins. This term, we had an easy decision in choosing which delightful Dolphin to choose. Darcy always has the most wonderful positive attitude and impeccable manners too – things which we think are incredibly important within Dolphin Class.

Darcy embodies all of our school values with such ease for someone so young and although a quiet member of the class, has become so much more confident within himself – he is truly blossoming.

Although he doesn't realise, Darcy is amazingly intelligent and takes responsibility for his own learning. He very rarely seeks help with his work and often amazes the adults in the room with how independent he is – particularly with his reading and writing. Darcy will always try his best and never rushes through tasks to ensure he fully understands what has been asked of him – a fantastic skill to have! When he realises what he has achieved, the smile which takes over Darcy's face is the most wonderful sight!

Darcy has developed some lovely friendships within Dolphin class and I'm sure they will be super proud of him. Darcy will play with anyone and will always make sure nobody is left out, whether it be playing football, building Lego creations or completing tricky maths challenges.

It has been an absolute pleasure to teach Darcy so far and we cannot wait to see what the next few terms will bring – we are sure you will continue to shine.
