

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Isla

Seahorse Class

The person we have chosen for the Excellence Award this term was a unanimous decision amongst the Year 1 staff team. We know that all of the Seahorses will be equally proud of our choice.

Isla ALWAYS works extremely hard in every lesson, every day. She listens carefully when we're on the carpet and discusses well with her talk partner. She approaches every learning opportunity with a positive attitude—trying her best and is always eager to complete tasks quickly and thoroughly.

In addition to this, and probably more importantly, Isla is a VERY kind and thoughtful girl. She always looks out for others in the class and is always ready with an encouraging word or a comment to make someone else feel better about themselves. She has lots of friends who she enjoys playing with but she is always ready to include anyone else who would like to join in. She never makes a fuss when working with other people, she just simply gets on with the task that needs completing to the best of her ability.

We can always rely on Isla to help with any jobs that might need doing around the class or school. She is a super sensible and very responsible Seahorse.

We know that everyone in our class, both children and adults, would agree that Isla is a fabulous person to have around. She looks out for everyone and always knows the right thing to say. We are all incredibly proud of you Isla, for your super work **and** excellent attitude to school life.

You really deserve this award Isla, Well Done!

Signed - Mrs Harris and Mrs Watts
