## RYARSH AWARD FOR EXCELLENCE

# Tilly

## Lion Class

It has been very difficult to choose just one person for this award this term. I am very proud of all the Lions in our class and with how hard they have worked. However, I would like to award this certificate to a young girl for being a lovely member of Lion Class.

Tilly comes into school ready to learn everyday with a smile on her face and gives 100% effort from the beginning to the end of each day. Tilly has worked extremely hard in every subject this term and has always tried to challenge herself, even when the learning does become tricky. Tilly never complains about finding a task too hard and always has a go before asking for help. She shows great resilience with her work, which is lovely to see. She has been practising her timetables and has managed to move onto the next challenge. There has also been a huge improvement in her spellings along with her reading, where she has asked to move onto chapter books. This shows how dedicated she is to her learning.

Mrs Jennings and I both agree that Tilly's confidence has shot up this term and it is so lovely seeing her more willing to participate in class. Tilly always has her hand up ready to have a go at answering questions. We are also very impressed with the quality of her work and how it is always beautifully presented. Her handwriting is always immaculate, which puts a smile on my face when looking through her books. It is stunning!

You should be very proud of everything you have achieved so far this year!

Thank you so much for being such a pleasure to teach! Well done for achieving this excellence award.
