

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Vivienne

Dolphin Class

The time has come to choose another well –deserving Excellence Award winner in Dolphin Class. Although all of our Dolphins are delightful, there has been one who has really stood out this term. All adults in the room agreed straight away that Vivienne has been and continues to be truly magnificent.

When starting school in September, never did we think we would see such a change in Vivienne's confidence, so quickly! She is an absolute delight to have in the classroom and brings a smile to our faces each and every day with her charm and quick witted sense of humour. Occasionally, Vivienne gets a little upset coming into school in the morning but she does not let this affect her day – as soon as she's on the carpet, a switch is turned on and she is ready to learn!

Vivienne has made some lovely friends in Dolphin Class and will play with anyone, equally letting anyone join in her games too. She always has the adults and children in fits of giggles with her Vivi-isms! A personal highlight is the school disco where we found out that Vivienne has the incredible talent of knowing and learning the words to pop songs very quickly! Even letting me sing along with her.

Vivienne has the most impeccable manners – using please, thank you and you're welcome multiple times a day which is heart-warming too, as in Dolphin Class we think this is super important. Vivienne takes a huge amount of pride in her learning – be it in phonics where she is a superstar with reading and writing the numerous sounds we have learned, or learning her very tricky words for our class assembly – which she did a wonderful job with, both memorising and delivering them with the sass and confidence we know she has.

It has been an absolute pleasure to have you as a part of Dolphin Class so far Vivienne, and we cannot wait to see what you achieve as the year progresses further – although, you have to remember not to trust the fox!

Signed - Mrs Howman
