

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Dougie

Koala Class

This term, one person has really stood out with his learning and attitude which is why I have chosen to award our Excellence Award to Dougie. I am really proud to have Dougie in our class as he has a fantastic attitude towards his learning and takes pride in the work he produces. If he hasn't completed a piece, he will often ask to stay in to finish it. Every morning he comes into the classroom with a smile and a cheery hello, before settling down with a good book! It makes a lovely start for everyone's day!

Dougie listens carefully to any instructions that he has been given which allows him to settle and produce work of a high standard. I loved reading his recent story of "The Lost Happy Dreams" and was super impressed by his ideas and use of language. I had to remind myself he was still in year 4! He tried to apply everything we have been learning about to produce a fantastic story. In his Maths learning, Dougie likes nothing more than a challenge and regularly keeps me on my toes ensuring that I have enough reasoning work ready for him to do!

In addition to his hardworking attitude, he has a lovely group of friends and they think he is great too. When he was our class "Special Person" his friends thought he was kind, deep hearted and confident. What wonderful things to say about you Dougie, and all the adults in Koala Class agree with them too! Dougie has impeccable manners and is a wonderful role model within the school. He is always polite and thoughtful but also has a good sense of humour.

Dougie you really are a pleasure to teach in Koala class. Keep working hard and I know that you will continue to do well. Well done for being a super star.

Signed - Mrs Crozier
