## RYARSH AWARD FOR EXCELLENCE

# Frederick

## Lion Class

It has been very difficult to choose just one person for this award this term. Myself and Mrs Jennings have really struggled to choose, as we are very proud of all our Lions and with how hard they have been working. However, I would like to award this certificate to a young boy for all his hard work and for being a kind and caring member of Lion Class.

This young boy's quality of work has made huge improvements, especially with his handwriting. Frederick has rightly earned a pen license for his beautifully presented work. Seeing his presentation always puts a smile on my face! He takes his time to make sure that the presentation is neat and the work is not rushed.

At the start of the year, he found it tricky to stay focused on his task, but he has really improved his concentration when completing tasks. As you flick through his books, you can see a huge improvement with not only the quantity, but also the quality that he puts in. This is clear across all the subjects, where he has always tried to do that bit extra to challenge himself.

Frederick never complains about finding a task too hard and always has a go before asking for help. He has a positive attitude to his learning, even when it's a tricky challenge. This shows his great resilience and a wonderful growth mindset, as he never gives up.

Thank you so much for being such a pleasure to teach! You should be very proud of everything you have achieved so far this year and keep up the fabulous work!

Well done for achieving this excellence award.
