RYARSH AWARD FOR EXCELLENCE

Ava K

Lion Class

It has been very difficult to choose just one person for this award at the start of the year. Every single member of Lion class has worked extremely hard this term and should be so proud of the work they have achieved. However, I would like to award this certificate to Ava for being such a lovely member of Lion Class and for settling into the new year perfectly.

From day one, Ava has worked extremely hard in every subject and every day wants to extend her learning to challenge herself. Ava will try to complete challenges independently before asking for help and her work is always beautifully presented. Regardless of the subject, she maintains a high standard throughout her work. Her handwriting has come on in leaps and bounds since starting at Ryarsh. She should be extremely proud of the progress she has made.

Ava demonstrates a positive growth mind-set to her learning and always completes tasks to the best of her ability. Ava always has her hand up ready to have a go at answering questions and always wants to do well. Not only does she want to improve her own learning, without fail Ava is always willing to help her classmates with tricky tasks. She is an excellent team player and never wants anyone to feel left out or upset.

Ava deserves this Excellence Award not only for her hard work in class, but for also having lovely manners and respect for everyone around her. From the moment she walks into class, she has the biggest smile on her face and gives 100% effort from the beginning to the end of each day. She is a very supportive and caring girl, who puts others' happiness above her own. You should be very proud of everything you have achieved this year!

Thank you so much for being such a pleasure to teach! Well done for being the first one in Lion class to achieve this award this year.
