

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Ava R

Koala Class

For this term's Excellence Award and the first of a new academic year, Miss Charlton and I are delighted to award this certificate to Ava, who regularly demonstrates all of the Ryarsh values and has done this from the moment she stepped back into school in September.

Everyday Ava enters the classroom with a massive smile on her face and a cheery hello to everyone she greets. Her day in school always starts with a positive attitude, impeccable manners and an eagerness to see where her learning might take her. She has shown that she is not afraid to make mistakes and shows her maturity for asking for help if she is unsure, especially when working with those trickier larger numbers. She has developed a real "I can do this" attitude towards ALL of her learning and consequently she has produced some wonderful pieces of work, which she should be very proud of. We all really enjoyed reading her Varjak Paw diary where she showed true determination to write from a character's point of view, experimenting with some amazing language and exploring different emotions that he may be feeling.

Ava is a great friend and role model to others. She shows an abundance of kindness towards her friends and peers and will always offer to help if she can see someone who needs it. Watching her play with her friends in the playground, laughing and smiling is a joy to see. In class, Ava always has ideas to share and listens carefully to other people's points of view – what more could a teacher ask for?

Well done Ava on a fantastic start to your time in year 4. I know that this year is going to be incredible for you and we are all really looking forward to seeing what you achieve next! Keep up the good work and keep sharing your lovely smile as it brightens up all of our days.

Signed - Class teacher
