RYARSH AWARD FOR EXCELLENCE

Grace

Penguin Class

Wow! What an incredible start to Penguin Class. I am so excited to be giving this award to Grace as we are so impressed with the progress she has made so far. Her attitude to learning is remarkable and whatever she does, she does with a beaming smile. Grace is always so happy to be at school, and no matter what we are learning, she is always so enthusiastic.

I am sure all of her class friends and members of staff will all say the same thing about Grace, she is a kind, caring and happy girl with a really big heart! She melts ours everyday!

Grace always tries her hardest even when things are tricky for her, she perseveres and puts so much effort and determination in her work and this is evident in all of her learning. I feel extremely proud to read Grace's work and see such progression already. Grace's handwriting has improved dramatically and Mrs Eames remarked on how her reading is coming along and is always so excited to read. I am particularly impressed with how independent Grace has become, and I often catch her using her phonics mats to support her spellings and we are loving her 'give it a go' attitude in ALL areas of her learning.

Grace is a fantastic member of our class who always tries to make others around her happy. I often say to Grace, that I would love to bottle up some of her smiles, kindness and determination and when someone is feeling a little low, sprinkle it around them, and they will be happy in no time at all!

Grace you really are a pleasure to have in Penguin class, we all love your desire to learn, determination and happiness and of course my diary full of pictures! You are an absolute star who brightens up our day. I know that this year is going to be absolutely incredible! Keep up the good work. Well done lovely!
