## RYARSH AWARD FOR EXCELLENCE

# Grace

## Leopard Class

It has been an absolute pleasure getting to know Grace over the last two terms; she is a kind hearted and hardworking individual, who has brought lots of laughter to not only her peers but to the adults both inside and outside of her classroom.

During lessons and around the school, Grace displays all of the school values expected of her, resulting in her being an excellent role model to all; she is polite, kind and a good friend.

Although Grace can be a quieter member of Leopard Class, her determination to succeed has been inspiring. She approaches all tasks with a positive attitude and will always try her best to succeed and overcome challenges. She listens carefully to feedback and takes the time to reflect on her learning in order to progress. Grace has consistently shown an inspiring growth mind-set. Due to her resilience, she has learnt that in order to succeed you have to keep working at it. When things are tricky she questions, reflects and perseveres. Giving up, is not in her vocabulary!

Her ability to infer, predict and make links across our core texts has been outstanding. Grace carefully considers what she has read and makes positive points throughout our class discussions. During her maths learning, Grace will persevere in order to develop an understanding of new and revised work; never stopping with 'that'll do' but persevering with an 'I can do' attitude. It has been an absolute pleasure to see your confidence increase over each term.

Keep up all of your hard work and that positive attitude Grace – you are an absolute pleasure to have as part of Leopard Class and Ryarsh School. I look forward to seeing how you continue to grow and blossom throughout the year. We are all so proud of you.
