

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Poppy

Seahorse Class

The person we have chosen for the Excellence Award this term was a unanimous decision amongst the Year 1 staff team and we know that all of the Seahorses will be equally proud of our choice.

Poppy starts each and every day bounding into our classroom wearing a broad smile and her very pink scarf! She ALWAYS works extremely hard in every lesson, every day. She listens carefully when we're on the carpet and discusses well with her talk partner, she is engaging more and more and her arm must ache in the evenings after putting it up so many times each day! She approaches every learning opportunity with a positive attitude—trying her best and is always eager to complete tasks quickly and thoroughly. Poppy has absolutely amazed us this term with the speed and accuracy of her Maths work, often finishing quickly and going on to trickier work afterwards! Poppy absolutely shone in our nativity production, singing and dancing so confidently!

In addition to this, and probably more importantly, Poppy is a VERY kind and thoughtful girl. She always looks out for others in the class and is always ready with an encouraging word or a comment to make someone else feel better about themselves.

We can always rely on Poppy to help with any jobs that might need doing around the class or school and she is often seen picking up rubbish or pushing under other children's chairs for them.

We know that everyone in our class, both children and adults, would agree that Poppy is a fabulous person to have around. She looks out for everyone and always knows the right thing to say. We are all incredibly proud of you Poppy, for your super work **and** excellent attitude to school life.

Keep it up and a BIG Well Done!

Signed - Mrs Harris and Mrs Watts
