RYARSH AWARD FOR EXCELLENCE

Ava H

Koala Class

I am really delighted to give this award to Ava, who has had a super start to her first two terms in Koala Class. We have all seen her grow not only academically but in so many other ways. We could not be more proud of Ava and the way she has embraced the challenges of being in Year 4.

Ava has impeccable manners and I can always rely on her to show me all of the Ryarsh values. She is a great role model for others to follow and I'm sure that all the staff that work with her, and all her friends will agree with me, when I say she is an asset to the class – kind, caring, thoughtful and determined.

Ava takes great pride in her work and has some wonderful ideas—especially in English. We all enjoyed reading her recent description of the performance of the dancer, in the Christmas advert “The Show Must Go on!” where she wrote as if she was the dancer. She had great fun experimenting with her descriptions, using lots of great writing skills. Like everyone, sometimes Ava can find a task a little tricky but she will always have a go first, before asking for help. She is starting to recognise for herself that success does not always come the first time you try something and that sometimes you have to keep working at it—and that's OK!. The smile that she radiates when she has worked through a problem, lights up our classroom and it is lovely to see her feeling so proud of herself. Ava, I would like to let you know that we are all so proud of you too!

It has been such a pleasure to teach you Ava, and watch you grow in both your learning and friendships. We are all excited to see what you achieve next so well done and keep being amazing!
