

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Olivia

Koala Class

I am so delighted to be giving this terms award to Olivia as all the adults working in Koala Class are so impressed with how she has settled back into school since March and we want her to know that we recognise the fantastic effort that she is putting into ALL of her schoolwork. Even though Olivia found some of the challenges of lockdown hard she still gave her best every day, sharing ideas and completing the work to the very best of her ability. She never gave up and kept going – showing true Ryarsh resilience!

Olivia always tries her hardest, even when she finds something tricky! In our recent maths lessons when we introduced decimals, she listened carefully, practised diligently and persevered. She put so much effort and determination in her work and ultimately this lead to some wonderful successes. This is not only evident in her maths work but in all areas of her learning. Olivia enjoys writing and has lots of creative ideas to bring to life in her work and we enjoy reading her final pieces. She experiments with our different grammar focus' and always takes on board feedback and I couldn't ask for anything more.

Olivia can always be relied upon to work well with whoever she is paired with and this was particularly evident in our recent writing project where she helped guide her group to a wonderful published book based on the story "The Sea Saw" by Tom Percival. She took great delight in illustrating her pages and was really proud of her final piece – she had a real twinkle in her eye!

I am sure all of her class friends will all say the same thing about Olivia: she is a kind, caring and happy girl with a really big heart! When she walks towards me across the playground, at the start of the day, she is always wearing a lovely smile which makes the start of my day fantastic!

Olivia you really are a pleasure to have in Koala class. We all love your desire to learn, the determination you show to reach your goals and of course your impeccable manners. All the adults in Koala Class are excited to watch you continue to grow and learn over the next few months and we can't wait to see what you achieve next. Keep smiling lovely Olivia and thank you for being you!

Signed - Mrs Crozier
