RYARSH AWARD FOR EXCELLENCE

Finlay

Leopard Class

We have decided that this terms Excellence Award goes to someone who has consistently listened and acted upon their feedback. He has continued to focus on his learning and has proven time and time again, what it truly means to be a resilient learner. His good listening skills, his reflective nature and his ever-enquiring mind have enabled him to develop and grow.

For all of the adults who have been fortunate enough to work with Finn, it has been an absolute pleasure to watch his self-confidence build. Finn's ability to analyse, reflect and discuss his learning, has enabled him to continue to progress and overcome any barriers, allowing his love of learning to shine right through. He enjoys all subjects but excels in those that allow him to have his creative freedom and provide an opportunity for him to express his thoughts and opinions. His passion for reading has meant that he has been able to participate in many class debates. Although he may not always agree with the opinions provided, he always challenges in a thought provoking and respectful manner.

He approaches all tasks with a 'can do attitude', taking the time to logically process the information provided to him and apply it carefully to his learning. His commitment to learning saw him take on many challenges during lockdown, and we are so proud to see how much he has grown this term and I don't just mean in height!

For all of the above reasons, Finn has been an outstanding role model to all. His demonstration of our key values has been inspiring, always thinking of others and ensuring that all feel appreciated and valued. Finn, you are a wonderful friend.

You are an absolute superstar and a real pleasure to have as part of our class. Keep reaching for your goals Finn, we are all so very proud of you and cannot wait to see what the future holds for you.
