RYARTH NEWSLETTER

28TH MAY 2021

It looks as though the sunshine is finally here, with the forecast even threatening to give us a sunny bank holiday Monday!

Perhaps the sunshine was brought to us by the Irie steel pan company on Thursday. All of our children sat outside in the glorious weather and enjoyed a live performance. Following this, years 4, 5 and 6 enjoyed a wonderful workshop. It was fantastic to bring a flavour of the Caribbean to our school.

Staffing

We say a fond farewell to Mrs Tring today. Mrs Tring has been part of our family for the past few years and has managed to secure a full-time teaching assistant position at Kings Hill Primary School.

Joining our family after half term will be Mrs Anne Salvidge, who joins us as a teaching assistant and will be working within Penguin class.

Travel to Tokyo

Our Travel to Tokyo challenge is fully underway! Our children have clearly been very active because, as a whole school, we have almost reached Tokyo already! I wonder if any individual classes will be able to reach Tokyo? With half-term next week, please keep logging any physical activity you do using the details sent from the PTFA.

Have a wonderful half-term. We look forward to seeing you all, ready for the final term of the year!

Our Favourite Learning in Koala Class

"My favourite learning this week has been comparing different types of settlements and learning the differences between cities, towns, villages and hamlets. We also looked at houses in Brazil. Some houses were built on stilts so they didn't flood in the rain! I also enjoyed taking part in the steel band workshop and learning how the drums were played and made." Jude

"I really enjoyed taking part in forest school. I hunted for and identified different types of flowers and plants. We even made a fire and cooked smores! I also found learning and writing newspaper reports in English really interesting, we wrote about Hogarth who captured the Iron Man and how he became the village hero!" Ava R
