

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Holly

Koala Class

Over the last term we have been impressed by so many children in Koala Class, not only because of their learning but also by the way they have supported each other both inside and outside of the classroom. However, all the adults agree that this terms Excellence Award should go to the super smiley Holly who has continued to impress us with her attitude towards her learning and the enthusiastic approach she uses to succeed in her learning.

Holly is always one of the first children to arrive in the classroom and greets the day with a massive smile and twinkle in her eye. We love hearing the stories about her weekends and seeing the photos of the things she has done. She is incredibly polite, forever offering to help hand out books or collect resources in, which is always very helpful and appreciated. Holly always tries her hardest even when she finds something tricky. What really impresses us though is how she will have a go first before asking for help. In our recent maths lessons, when we were rounding and comparing decimals she listened carefully, and applied her knowledge of rounding whole numbers to this new learning. It was great to watch her make links, grow in confidence and persevere. Well done Holly, this is exactly what I am looking for in our Excellence Award winners. Holly has some great ideas in her English and I always enjoy reading her work from the lesson, especially her recent biography on Sir David Attenborough. She takes on board feedback and really uses her purple pen to improve her work, putting in those missing pieces of punctuation!

I am sure all of her class friends and members of staff will all say the same thing about Holly, she is a kind and caring girl with a really big heart, who strives to do the right thing and to make sure others are too.

Holly, you really are a pleasure to have in Koala class. We all love your desire to learn new things and improve - we can't wait to see where your Year 4 journey ends. Keep working hard and taking on feedback and I am sure there will be many more successes before you reach Year 5 and Leopard Class.

Signed - Mrs Crozier
