

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Phoebe

Seahorse Class

Phoebe is such an absolute pleasure to teach! Since her return to school in March, following Lockdown, she has worked really hard in class to improve her learning across all subjects. When working together on the carpet, she is always listening and ready to learn. Phoebe regularly volunteers her thoughts and answers in class. These are always well thought through and reasoned answers to our questions.

In English, Phoebe writes lovely sentences and stories, she will always try to add in better words and ideas to make her writing interesting to read. Phoebe has also worked hard on her handwriting and presentation and every day it looks more and more like a Year 2's work!

When completing independent work in Maths, Phoebe will always focus and work hard. When offered a challenge, she will always give it a good go, never shying away from something a bit tricky.

Phoebe takes her learning and school quite seriously, refusing to be distracted by other children when it is time to learn. This is a fantastic learning attitude and we are always impressed and proud at how focused she is.

She has a strong moral compass and has a clear idea of what is right and wrong. Phoebe is a great role model for other children in the Ryarsh values.

Phoebe is well liked by all her classmates. They know that she will always play kindly. She also has some close friends who really enjoy spending time with her—it was so lovely to see how happy they were to all be back together after Lockdown learning.

We feel that Phoebe truly deserves this Excellence Award this term for her continued hard work, focus and kindness at school. We are very proud of you Phoebe. Keep up the great attitude and all of your hard work. Well done :-)
