

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Olivia

## Seahorse Class

We have been so impressed by Olivia's mature attitude and work ethic since joining Year 1 and how she continues to try hard with all aspects of her work. We all felt that she REALLY deserved the Excellence Award this term.

It has not been an easy year with Lockdown and when Olivia hasn't been hard at work at school, we've seen her trying her best at home with all aspects of her learning too (and even including her little sister)!

Olivia always listens carefully in every lesson and tries her best in every subject. Olivia has wonderful determination which means that she always continues to persevere with a task to the end no matter what is going on around her, completing it to her best ability.

Olivia is a keen mathematician and is always keen to push herself—we have to keep giving her trickier work! She works steadily through a task and is never phased by the challenges we give her. Recently, the whole class were faced with a measuring challenge and there were a choice of answers. Olivia was the only person in the whole class (including the adults) to choose the correct answer and she explained her reasons so well too.

Olivia is kind to others and is always keen to help with classroom jobs. We can always rely on her to behave in a sensible and responsible manner. Olivia is often seen approaching someone who may be on their own in the playground to cheer them up and include them in a game.

Olivia—we are REALLY proud of you. You are working so hard and making great progress. Keep up the fantastic work and we hope you have a HUGE smile on your face as you receive this award.
