

Headteacher: Mr D Childs

16th September 2020

Dear Parents,

We are really looking forward to our Jeans for Genes day on Friday to support the wonderful work carried out by the charity in supporting children with genetic disorders.

We are asking the children to wear a pair of jeans along with their usual school uniform on top. If the children have a denim jacket, shirt or hat, we would love to see lots of double denim or even triple denim! If not, a pair of jeans on the bottom half and school uniform on the top half would be perfect.

If the children have PE on Friday, please send them in with a pair of PE shorts in their bag so they can change into them for the session.

If the children have a forest school session, please send them in wearing whatever your child is most comfortable in. This can be a pair of jeans or their usual forest school clothing.

To help raise money for this amazing charity, we are encouraging our families to donate using the following JustGiving page:

<https://www.justgiving.com/fundraising/jforg>

We will also be carrying out different workshops and activities during the day.

Thank you all for your support.

Kind regards,

Mr Childs
