

Headteacher: Mr D Childs

6th November 2020

Dear Parents

What a great start to the term. The behaviour around the school, as well as the continued efforts of our children, continues to make us feel very proud and privileged to teach these amazing children.

Every so often, feedback from our local community reaches back to us. Only today a member of staff showed me a post from a social media page that states 'Ryarsh Primary School feels more like a family than a school'. I cannot tell you how delighted I was to read this. Despite the challenges that are clearly up ahead for us all, I know that we will respond in the Ryarsh way – as a family. Please remember that, as a school, we are always here to support any member of our family in whatever way we can.

Parent Consultation

We are looking forward to our parent consultation evenings next week. On Monday 9th November, we will be sending you some information about your child. This will state their individual targets as well as provide you with details of any additional support in place.

In the past, we have provided you with an assessment grid to show attainment and progress. We will not be providing this grid during this round of consultations as we feel that the children need more time back in school, in light of the global pandemic before we are confidently able to say where they are in relation to their year group programme of study.

Our focus for the discussions will be based around how your child has settled back in to school. As part of this discussion, we are happy to share our initial thoughts on their attainment and progress.

If you haven't already done so, please make sure you book a session through our ParentMail platform.
