

Headteacher: Mr D Childs

19th March 2021

Dear Parents,

What a pleasure it has been to walk around the school this week and see the children responding to increased focus on re-establishing our school routines and expectations. There has been a really calm and focused atmosphere in our school and I have been really impressed with our children's positivity and enthusiasm towards their learning.

We really enjoyed learning all about St Patrick's Day on Wednesday. This year, we have tried hard to provide our children with opportunities to learn all about cultural celebrations in Britain and other parts of the world.

Today, we celebrated Red Nose Day and learnt all about the charity and how it helps others. So far, we have raised almost £500 for the charity, which is an amazing amount for a school our size. I would like to thank you all for your generosity, especially during the current climate.

Covid-19 Update

Thank you for arriving at the correct times in the morning as this really helped to reduce the number of adults on site, making social distancing more achievable.

At the end of the day, please make sure any siblings stay with you. As much as we know that children love to play at the end of the day, we also need to keep the integrity of class bubbles.

Also, we do need to ask you to keep being prompt when leaving the school grounds in the morning or afternoon. This helps us keep to the staggered timings and reduce numbers of adults on site.

Parking

Please continue to park considerately. At no stage should any car be parked on the yellow zig-zag lines outside school as this seriously compromises the safety of our school community. Also, we would advise you to avoid parking in a place that may block the road, especially on the stretch of road from our school to Birling.

Parent Consultations

Please make sure you have booked your appointment for parent consultations next week.

Today, your child will bring home a copy of their consultation sheet and a letter to explain the assessment information on the sheet (not including reception).

Please find the zoom details for each class below:
