

Seahorse Class Newsletter: Issue 5 April 2021
Jack and the Beanstalk

Dear Parents,

We hope you all had a wonderful Easter break. It's been lovely to have all our smiley Seahorses back at school this week. We have some lovely news to share from Mrs Watts, baby Emily Rose Watts was born on April 11th – Mum and baby doing well ☺

Our topic this term is, 'Jack and the Beanstalk,' where we will be using the traditional tale as a focus for our English learning. We will be exploring alternative versions of the story and creating newspaper reports. Our Science learning will be around plants and our History learning will be all about castles. If you get the chance to visit a castle or have information about a local castle then we'd love to hear about/see it.

Please see below an overview of our learning for the term.

History	Castles
Art & DT	Weaving – looking at the art of Anni Albers
Science	Plants – identifying common trees and plants. Understanding the difference between deciduous and evergreen trees.
RE	What makes some places sacred?
PSHE	Physical Health and well-being
Music	Round and Round Latin Bossa Nova, Film music, Big Band Jazz, Mash-up
Outdoor PE Tuesdays & Thursdays	Athletics to prepare for Sports Day. Games - Tennis
Computing	Creating a talking book

We can't wait for another fantastic term of learning!

Mrs Harris and Mrs Morris
